

You're invited to the Rosemead Blvd Complete Street Community Tour!

Please join Supervisor Hilda L. Solis at the Whittier Narrows Recreation Area to help convert Rosemead Blvd into a safer, more enjoyable Complete Street for everyone, especially families, pedestrians, cyclists, and equestrians.

The County of Los Angeles is currently working on Phase I of the Rosemead Boulevard Complete Street Improvements project which will enhance safety and access for pedestrians, cyclists, and transit along 2.6-miles of Rosemead Boulevard.

Two ways to participate

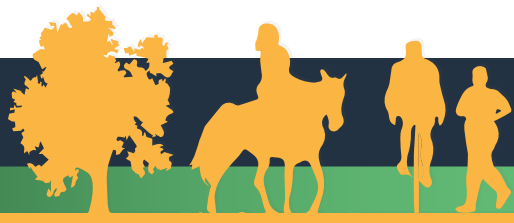

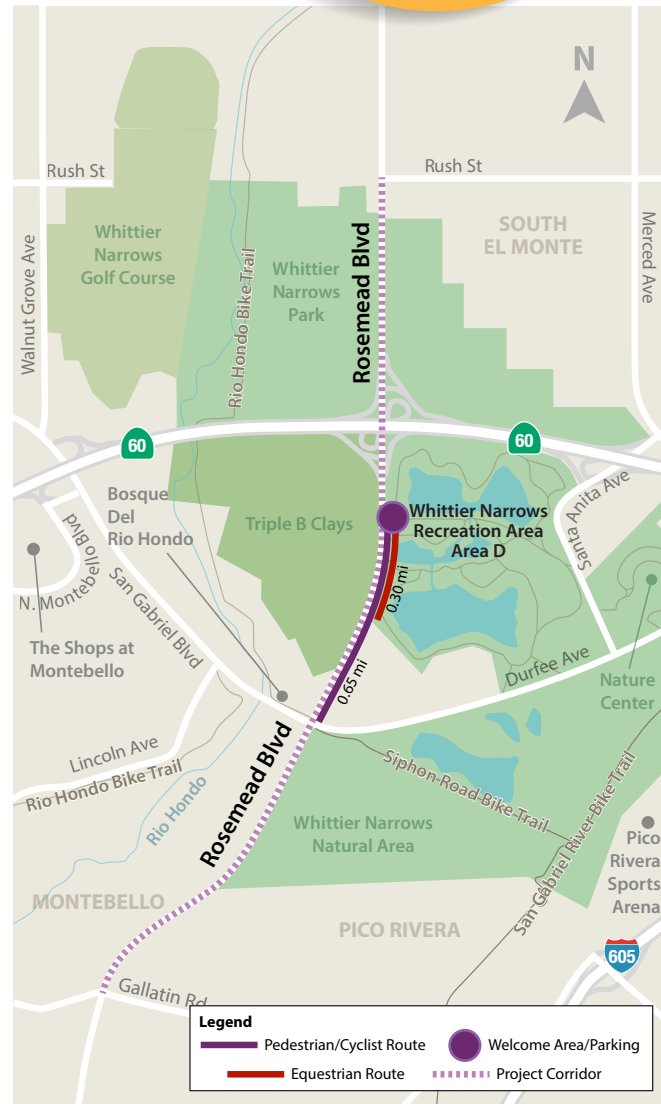

1. Visit our Open House to learn about the project and provide direct feedback.
2. Sign up for a guided walking, biking or equestrian tour. Spaces are limited.

Pedestrians and cyclists will be safely guided down Rosemead Boulevard while completing a field survey.

Please join the First Supervisorial District, Public Works, Parks and Recreation, elected officials and other stakeholders to make this project a success!
