

Teen Mental Health Resource Center Reception

Pasadena Central Library, Teen Central
Saturday, Sept. 3, 2016 @ 4pm

Join us as we celebrate our Teen Mental Health Initiative! Our goal this year is to increase awareness and discussions around topics of mental health, provide free specialized services and programs for teens, family and friends, provide training for staff and those working with youth, and maintain a well-stocked, vetted, mental health resource center. Come join the discussion, collect highly useful information, and bring your questions (or resources). Refreshments provided.
