RSVP at a3pcon.org/CSSD2018

While there is a growing Asian American population with children born outside of intact families, they are an underserved population within the Los Angeles County Child Support Services Department.

Attorneys and representatives from the Los Angeles County Child Support Services Department will provide an overview of the services we provide from how to open a case, the general process from identifying a parent, to obtaining an order for parentage and child support, to enforcement of the support order.

There will also be a Q&A session.
