

## Casting Your Vote

### **By Mail**

Because of the pandemic, California is automatically mailing ballots to all active voters. After making your selections, seal the ballot in the provided envelope and place in your mailbox. Ballots must be postmarked by Nov. 3 and received by Nov. 20.

### **Drop Off Ballot**

You can also drop off your ballot in person at a local election office, polling place or ballot drop box by Nov. 3. Secure drop box locations may be found on <https://caearlyvoting.sos.ca.gov/>

### **In-Person Voting**

You can register and vote in person at a polling place up through Election Day (Nov. 3). You can find your local polling place on <https://www.sos.ca.gov/elections/polling-place/>
