Who should attend? Individuals interested in supporting California's children 0 to 5 and their families such as:

- ✓ Parents ✓ Early childhood advocates
- ✓ Health care professionals and educators ✓ Policy makers
- ✓ Family support providers ✓ Early learning and care providers
- ✓ Business, community, and philanthropic leaders ✓ K-12 educators
- ✓ Nonprofit and government agency staff that work with First 5

Why? Provide input and help shape the development of First 5 California's next strategic plan. Working together, we can build the statewide movement to create and implement a comprehensive and integrated system for California's youngest children and their families.
