

Hone Your Presentation Skills with Mike Cannon 2014

Join APEX and like-minded professionals for our professional development workshop on executive presentation training!

Back by popular demand, spend a day improving your presentation skills with communications consultant Mike Cannon! He has taught this course to both MBA students and executive companies. With Mike, you will be improving on your most important business skill of communicating.

Don't miss out on the opportunity to take your career to the next level. Mike is currently a professor at UC Irvine's Paul Merage School of Business, and has an impressive background in both television and radio, and was a Congressional Press Secretary and Advisor.
