San Gabriel Mountains Forever is recruiting community leaders — students to learn the process of a grassroots campaign; retirees to improve their community; parents wanting better recreation opportunities for their kids.

We need people, like you, to help permanently protect and enhance urban access to our San Gabriel Mountains and River.

The San Gabriel Mountains Forever Leadership Academy is a volunteer training program that protects Los Angeles' remaining Wilderness and supports a legacy of public lands stewards among youth and in communities of color.

The San Gabriel Mountains Forever Leadership Academy includes:

Stipend · Grant · Financial Aid · Training from Experienced Organizers and Professionals

Apply today at www.sangabrielmountains.org/academy

Applications due November 25, 2014.
