The Case of Professor Xiaoxing Xi: Scapegoating Immigrants as National Security Threats

Downtown Los Angeles

Wednesday, August 10, 2016, 5:30-7:30 PM
1145 Wilshire Blvd., Los Angeles 90017

Orange County

Thursday, August 11, 2016, 11:30 AM-1:00 PM
[Address To Be Confirmed]

Join Professor Xiaoxing Xi, a Chinese American scientist falsely accused of espionage; Brian Sun, partner at Jones Day who has represented a number of Chinese Americans wrongly prosecuted; and other community leaders as they examine how Chinese American scientists are being racially profiled and scapegoated much as Japanese Americans were during World War II or Muslim Americans have been since September 11, 2001.

Complimentary admission with RSVP; seating limited

RSVP at bit.ly/ProfessorXi

Light meal will be served
