About Team AMP:

AMP stands for "AADAP Marathon Program" and we are proud to be in our third year as an Official Charity Partner with the ASICS LA Marathon. By joining Team AMP you are becoming a part of a group that trains together towards a common goal- to finish the 2014 ASICS LA Marathon. The additional benefit is raising critical funds to help hundreds of individuals and families in the fight against substance and alcohol abuse. Team AMP's fundraising efforts benefit the Asian American Drug Abuse Program (AADAP), a 501(c)3 non-profit providing critical recovery services to low-income and under-served individuals in the greater Los Angeles area.

When you register to run the ASICS LA Marathon with Team AMP, you will be provided with **5 months of training** with experienced coaches, **weekly training schedules**, and **peer support** from your fellow team members and team coordinators. In addition, **all of your major costs such as race entry, training, team tech shirt, race-day transportation, and the pre-race AMP Pasta Party are included through your fundraising commitment.**

In exchange for training and event-related costs, **we ask each participant to commit to fundraising \$500** for the Asian American Drug Abuse Program (AADAP), which funds comprehensive substance abuse prevention and treatment services. Our team staff will provide you with **extensive fundraising support** to help you reach your goal, including fundraising planning meetings, sample emails/letters, and your own personal fundraising website.

Saturday trainings take place in both Pasadena and Marina Del Rey

Thank you for your time and we look forward to hearing from you!
