

# Cerritos Town Hall Meeting

## Preventing Underage Drinking

### Did You Know ...

- *Alcohol is the most widely abused substance among America's youth.*
- *14% of 10th graders and 28% of 12th graders reported being drunk at least once in the last month.*
- *Each year approximately 5,000 young people under age 21 die as a result of underage drinking.*

**Parents, attend along with your children and teens.**

**Teachers, officials, community members—**

**We want to hear from you!**

The purpose of this meeting is to increase awareness of the issue of underage drinking, identify how underage drinking affects you, the community, and discuss ideas for preventing young people from using alcohol.
