DEAN GOISHI & RUSSELL LEONG

Dean Goishi, is the Founding Director of the Asian Pacific AIDS Intervention Team. During the mid-1980's, he and a small group of his friends fought against ignorance, racism, and homophobia to break the silence about HIV/AIDS in the Asian community. His efforts saved countless lives.

Russell Leong, is a writer, professor and former Editor of the UCLA Amerasia Journal for more than 30 years. As a product of the early Asian American movement, he linked art and literature with social activism and helped establish an insurgent space in academia. His poetry explored gay Asian identity and he produced special journal issues on API sexualities and the marriage equality movement.
